*A Life Remembered...*

*Born in Bluefield, West Virginia, January 1, 1943, she was the only daughter of the late Rev. D.B. and Myrtle Hatfield, and sister to Darryl, who died in 1981. When Sherree was only 5 years old, her parents were called to the mission field where they served in the Middle Eastern countries of Israel (Palestine at that time), Egypt, and Cyprus for 7 1/2 years. From that time on, Sherree never lost her love and zeal for Israel and the mission field. Sherree was a music major at Eastern Kentucky University, and used her beautiful voice to sing and praise the Lord. Sherree was a member of Riverlife Church, served as the World Mission Representative, and sang on the praise team.*

*Because of their mission work and the several churches her father served in as Pastor, Sherree never lived in one place too long and that trend continued after she met and married Larry in Columbus, Ohio. Career opportunities moved Sherree, Larry, and son Wes to Chicago in 1973 and then to Nashville in 1977, and finally to Florida in 1992. Sherree always said her time in Florida was the longest she had lived anywhere.*

*Our memories of Sherree will always be wonderful. She spent significant time with her son, teaching him about the Lord and about Life. He will always feel that he is the luckiest son in the world to have such a caring and loving mother. She will be missed by all who knew her and loved her, especially her loving husband and son. We know Sherree has made her last and final move to her heavenly home and will spend eternity with the Father. The comfort we have is we will see her again in heaven.*

## *The Love of My Life...*

*Though my memories of the love of my life will never fade, time will pass, and time will help heal the hurt I feel today. Some people do not believe in love at first sight, but when I met Sherree, I knew I had met the love of my life. I will miss her tender touch, the encouragement she always gave to me, and the "you can do it" attitude she instilled in me – with God's help. She taught that all things are possible when we use God as our compass. She inspired me to seek God's Word for my life and to keep my eyes and ears open for what He would do in my life.*

*God said man should not live alone and God gave me Sherree to share my life with and I thank Him for that. I will miss her more than mere words can describe, I will miss her sweet smile, the twinkle in her eyes, and the love that we shared. My joy is knowing that she is in heaven with the Father and someday I will see her again. I thank God for the time Sherree and I shared our love and life together and the many blessings He gave us.*

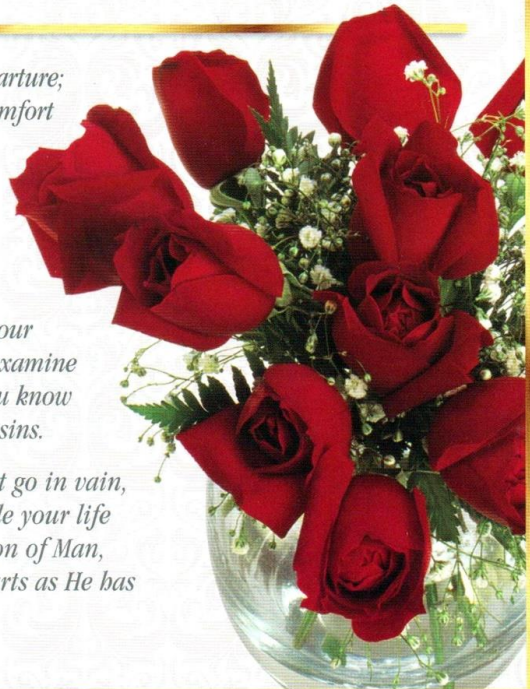

## *My Mother, I Love You So Much...*

*I always felt that I was the luckiest son in the world to have such a caring and loving mother. She spent significant time teaching me about the Lord and about Life. She often told me that I could do anything if I just put my mind to it. Her positive attitude and passion for life inspired me and provided a great foundation from which to grow. When you think about life and the hand you are dealt, you know that you are not in control of many things. God is truly great to have given me Sherree Weisenberger to be my Mother. I love you Mom!*

*Sherree said, "It's not the Sunset; it's the Sunrise! It's not the Departure; it's the Arrival." We know Sherree is with the Lord. That is the comfort God gives to us when we accept Him in our lives. There is a life here-after and each of us makes the decision as to where we want to spend it. As Christians, we are confident that "To be present in the body is to be absent with the Lord. To be present with the Lord is to be absent in the body." 2 Cor 5:6,8.*

*We rejoice in knowing WE WILL SEE SHERREE SOON, for that is our promise from God. I know Sherree would want each of you to examine your hearts and know for sure that God lives there, and that you know He sent His son, Jesus Christ, who died and rose again for your sins.*

*That if you know this for sure, that somehow her life will not go in vain, and through this message you will consider this and reconcile your life with the Lord. He is the King of Kings, The Son of God, The Son of Man, Lamb that was slain, for each of us! Let Him live in your hearts as He has lived in hers so you too can enjoy the rewards!*

# *The Lord Is My Shepherd*

*Because the Lord is my Shepherd,  
I have everything I need!*

*He lets me rest in the meadow grass  
and leads me beside the quiet streams.  
He restores my failing health.  
He helps me do what honors Him most.*

*Even when walking through the  
dark valley of death  
I will not be afraid,  
for you are close beside me,  
guarding, guiding all the way.*

*You provide delicious food for me  
in the presence of my enemies.  
You have welcomed me as your guest;  
blessings overflow!*

*Your goodness and unfailing kindness  
shall be with me all of my life,  
and afterwards I will live with you  
forever in your home.*

*Psalm 23 ~ Living Bible*

*I can hear Sherree now  
as she often quoted  
this beautiful and  
meaningful scripture.*

*She loved the  
Living Bible version  
as the words  
just flowed and  
comforted her.*
